About FIREBOX

We've been in the gift game since 1998, when our 'Shot Glass Chess' invention broke the internet (it was dial-up back then, so it was probably already broken tbh).

- 1 Nothing beats a freshly pulled pint in your favourite pub - except maybe a freshly pulled pint in your very own home
- 2 It's time to branch out and let your beer tastes blossom
- 3 Because beer tastes sweetest from your own special stein
- 4 The gauntlet has well and truly been laid down
